How to get EC research funds

Horizon 2020 - The EU Framework Programme for Research & Innovation

- Horizon 2020 is the main EU financial instrument to support **Research and Innovation**.
- Almost **€ 80 billion** of funding are available over 7 years (2014 to 2020).
- The goal is to ensure Europe producing world-class science and technology that drives economic growth.
- Horizon 2020 is part of the Europe 2020 strategy for smart, sustainable and inclusive growth.
- Horizon 2020 is focusing on three key areas (Pillars): **Excellent Science, Industrial Leadership and Societal Challenges** and other cross-cutting initiatives.

Horizon 2020: The Three Pillars

- **The Pillar I "Excellence"** aims to reinforce and extend the excellence of the Union's science, bolstering the EU's position as a world leader in science, attracting the best brains and helping scientists collaborate and share ideas across Europe;
- **The Pillar II "Industrial Leadership"** aims to speed up development of the technologies and innovations that will underpin tomorrow's businesses and to help innovative European SMEs to grow into world-leading companies;
- **The Pillar III "Societal Challenges"** responds directly to the policy priorities and societal challenges that are identified in the Europe 2020 strategy. The EU has identified seven priority challenges.

Horizon 2020: Who may apply?

Horizon 2020 is open to everyone. Eligibility conditions for participation are set out in the Rules for Participation Regulation and in the Work Programme

- For standard research projects – **a consortium of at least three legal entities**. Each entity must be established in an EU Member State or an Associated Country.
- For other programmes – European Research Council (ERC), SME Instrument, the co-funding of national or public programmes coordination and support, training and mobility – the minimum condition for participation is **one legal entity** established in a Member State or in an Associated Country.

Horizon 2020: Action Types

- **Research and Innovation actions.** Funding for research projects tackling clearly defined challenges, which can lead to the development of new knowledge or a new technology;
- **Innovation actions.** Funding is more focused on closer-to-the-market activities, i.e. prototyping, testing, demonstrating, piloting, scaling-up etc. if they aim at producing new or improved products or services;
- **Coordination and support actions.** Funding covers the coordination and networking of research and innovation projects, programmes and policies. Funding for research and innovation per se is covered elsewhere.

How to get EC research funds

Horizon 2020: Action Types

- **Frontier research grants – European Research Council.** Funding for projects evaluated on the sole criterion of scientific excellence in any field of research, carried out by a single research team led by a 'principal investigator';
- **Support for training and career development – Marie Skłodowska-Curie Actions.** Funding for international and mobility research fellowships in the public or private sector, research training, staff exchanges;
- **Other types of actions.** SME Instrument, Fast Track to Innovation, Pre-commercial procurement (PCP), European Joint Programme (EJP), Public procurement of Innovative solutions (PPI) actions, Prizes, etc.

How to get EC research funds

Hints and Tips

- **Read carefully the Guide for Applicants!!!**
- Start writing your proposal early enough to submit it to external opinions;
- Plan the consortium in order to assure the quality of the activities and giving a specific role and function to each partner;
- Make your application easy to read;
 - Identify your aims and hypotheses right at the beginning.
 - Use tables and diagrams (legible in black and white).
 - Emphasise particularly important sentences using appropriate formatting and highlighting
- Be ambitious, but avoid sounding unrealistic;
- Follow the formatting rules and page limits;

- <https://euraxess.ec.europa.eu/jobs/search>

The screenshot shows the Euraxess website interface. At the top, there is a blue navigation bar with the European Commission logo on the left and the text "EURAXESS - Researchers in Motion" in the center. The navigation bar contains several menu items: "JOBS & FUNDING" (highlighted in yellow), "PARTNERING", "INFORMATION & ASSISTANCE", "EURAXESS WORLDWIDE", and "LOGIN / REGISTER". There are also search and globe icons on the right side of the navigation bar. Below the navigation bar, the breadcrumb trail reads "HOME > JOBS & FUNDING > JOBS SEARCH". The main content area is titled "Search for jobs" and features a search form with a text input field labeled "Enter keywords". Below the input field is a dark grey dropdown menu with the following options: "RESEARCH FIELD", "RESEARCHER PROFILE", "SECTOR", "COUNTRY", and "EUROPEAN RESEARCH PROGRAMME". At the bottom of the search form, there are two buttons: a yellow "SEARCH" button and a light blue "NEED HELP?" button. The background of the search form area shows a woman with a red backpack walking away, symbolizing a researcher on the move.
