

## **Welcome day back to the Lab: "Sharing the secondment experience"**

a meeting with the ESRs and Sapienza Supervisory Board

Prof. Mazzara, Prof.sse Leone, de Rosa, Passafaro, Bocci and dr. Dryjanska

### **Purpose:**

- a) to share the ESRs' individual secondment experience that was one of the focal points of their 3-months international mobility, including:
  - experiential dimension about their cultural relocation, also mentioning the logistic aspects at host institutions (like access to physical and digital bibliographic resources, to research infrastructure and computing facilities, working space, etc.);
  - their progress on the unified research program and their individual focus (specifying the meta-theoretical analyses conducted during this period, new retrieved PDFs, the participation in the online Skype monitoring meetings, etc.)
  - the video-interviews they conducted, including the names of all interviewees and the language in which the interview was conducted and date,
  - the scientific events in which they participated during this period (such as seminars, training schools, conference, etc.),
  - complementary training and/or research activities
  - networking opportunities
  - presentations they have performed or lectures they have given
  - progress of the students under their supervision (if applicable)
  - any other issue they consider relevant and worth sharing, even from the experiential and cultural point of view (like social events, national holidays, festivals, museum, etc.)
- b) administrative issues with dr. Robert Barakat
- c) to update the ESRs as regards the outcome of the meeting. from the REA-Research Executive Agency after the meeting in Brussels attended by Prof. de Rosa and Prof. Mazzara
- d) to inform the ESRs about working days at the lab and next holidays
