So.Re.Com.THE.NET. @-NEWS n°69 – April 2016

The integrated Newsletter of the European/International Joint PhD in Social Representations and Communication of the So.Re.Com. THEmatic NETwork, and of the SoReCom Joint-IDP

So.Re.Com.THE.NET. Members: Celso Sá (1941-2016)

It is with great sadness that we inform the passing away of Celso Sá (1941-2016) our respected colleague and beloved friend.

Celso died in Rio de Janeiro, his home town, on the 7th of May of 2016. He was one of the most eminent researchers in the Social Psychology area and contributed significantly to the development of the Social Representation Theory being recognized by the quality of his research work as much as by his performance as a lecturer, communicator and organizer of seminal events.

Celso Sá obtained a PhD degree by the Fundação Getulio Vargas and a post doc at University de Provence. Since 1977 he was engaged at the Universidade Federal do Rio de Janeiro as responsible for several important tasks coordinating postgraduate courses and performing important administrative roles at UERJ.

His scientific production includes important publications in the area of Social Behavioral Analyses, Social Representations and Social Memory. He was a permanent member of the GT Social Representations at the National Association of Research and Post Graduate courses in Psychology (ANPPEP) and acted in many ways for the development of research on social representations nationally and internationally.

Among his vast contribution the work on the Central Nucleus of Social Representations (1996) and the Constructions of a research object in Social Representations (1998) could be mentioned.

More recently Celso Sá played a relevant role for launching the magazine *Psicologia e Saber Social* (Psychology and Social Knowledge) and for the consolidation of the Laboratory on Memory and Social Representations (MEMORES) at UERJ.

In this particular sad moment, we remember with great affection and we send our heart-felt condolences to his wife and colleague Denise de Oliveira and his family.

The So.Re.Com. THEmatic NETwork Activities Upcoming International Events 2016

We are pleased to announce that the

EASP Small Group Meeting in Honor of Serge Moscovici

will take place in **Paris**, France

from the 17th to 18th of November 2016

Organizers: Juan A. Pérez (University of Valencia); Nikos Kalampalikis (University of Lyon); Saadi Lahlou (London School of Economics); Denise Jodelet (EHESS); Thémis Apostolidis (University of Aix-Marseille)

Contact: **Juan A. Pérez**: juan.a.perez@uv.es

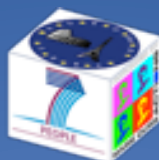

The meeting aims to bring together junior and senior researchers to discuss theoretical aspects of Moscovici's work, his conceptual contributions, and the impact of his findings on social psychology. The meeting is therefore open to participation beyond the circle of past Moscovici's collaborators and to PhD students. We will examine how Moscovici's contributions can help to face the contemporary challenges of our discipline, if it wants to have societal impact: Rising tensions between communities, the necessity to help individuals change to more sustainable behaviour; new digital systems for social networking, increased intercultural contacts through globalization, emerging forms of collective intelligence (e.g. Wikipedia), etc..
